The International Union of Elevator Constructors (IUEC) congratulates New York Helmets to Hardhats on 20 successful years of supporting our servicemen and women, who have become a tremendous asset to the Building Trades. There is no group more deserving of our gratitude and deepest appreciation than the men and women of our armed forces. New York Helmets to Hardhats has shown the Building Trades’ respect for those who’ve served by offering life-changing opportunities with the unionized construction industry.

The IUEC is also extremely proud of our own brother, IUEC Local 1 Business Manager/IUEC Vice President and New York Helmets to Hardhats 2023 Honoree Lenny Legotte, who is a U.S. Marine Corps veteran himself. Brother Legotte has been on the front lines of Helmets to Hardhats since its inception, welcoming dozens of Helmets to Hardhats members into IUEC Local 1 and serving as an outstanding role model in giving back to our military community.

The IUEC congratulates all of the 2023 honorees and offers a heartfelt thank you for supporting our servicemembers.

In Solidarity,

Frank J. Christensen, General President  
James K. Bender, II, Assistant General President  
Larry J. McGann, General Secretary-Treasurer
